### PROFILE

BCA graduate with a strong foundation in computer science and a keen interest in front-end development. Currently excelling as an intern Front-End Developer, leveraging skills in HTML, CSS, and bootstrap to contribute to projects. Proven ability to translate design concepts into user-friendly interfaces, collaborating effectively with multidisciplinary teams. Eager to continue learning and honing skills in web development while making meaningful contributions to innovative projects.

### WORK EXPERIENCE

#### Associate software engineer(intern)

##### Hunter goal (opc)

March/2024-June/2024r

As an Associate Software Engineer intern, I specialized in front-end development within the Designing and R&D department. My responsibilities included crafting user interfaces, implementing design concepts, and conducting research and development to enhance product innovation. Through collaborative efforts, I contributed to creating engaging and functional user experiences while gaining valuable insights into software engineering practices.
